To Whom It May Concern

Manufacturer's Declaration of Non Solid Wood Packaging Material

We, CASETEC GmbH, Max-Planck-Str. 9, 42477 Radevormwald (Germany), declare that our products do not contain solid wood and so allow worldwide export.

The cases are made out of PVC coated plywood that does not contain any insects. The veneers are dried to less than 5 % moisture content and bonded at a temperature of 130°C / 266°F.

Our cases fulfil the ISPM15 requirements by IPPC Standard, hence no phytosanitary certificate or IPPC mark are required.
